VERNON, WILBARGER COUNTY, TEXAS, TUESDAY, APRIL 18, 1922.

NUMBER 28.

## OFFICERS NAMED FOR NEW COUNTY LIVESTOCK BODY

Purebred Association Receives Initial Impetus At Meeting In Court Room Saturday—W. T. Collins Of Odell Made President—Co-operative Advertising And Sales To Feature.

The Wilbarger County Purebred Livestock Association came into being Saturday with the adoption of a constitution and by laws and the election of W. T. Collins of Odell as president, A. M. Bourland of Vernon, first vice-president, Logan Creager of Oklahoma as second vice-president, Jed Morrow of Vernon as secretary, and Emory Rhoads of Vernon as treasurer. More than thirty men were in attendance when the meeting opened in the district court room, and this number was augmented from time to time by those who came later.

Directors chosen were Mark Neal, Joe Moore, Marvin Sharp, S. D. Lawlis and Rex Boyd. Association dues are five dollars a year and are payable to the secretary.

### Those On Roster

Members of the Association, their residences and products are the following: W. D. Buey, Odell—Poland China hogs; W. T. Collins, Vernon—Poland China hogs; D. W. May, Tolbert—Poland China hogs; M. C. Neal, Odell—shorthorn cattle and Poland China hogs; C. H. Randel, Chillicothe—Holstein cattle; B. P. Abston, Vernon—Poland China hogs; R. M. Westbrook and Jed Morrow, Vernon—Duroc Jersey hogs and single comb Rhode Island Red chickens; Rex Boyd, Oklahoma—white face cattle, horses; S. P. Clements, Oklahoma—Jersey cattle, White Leghorn chickens; P. D. Chaney and Miss Eula Goodfellow, farm agent and home demonstration agent respectively—honorary members.

### Those Who Spoke

P. D. Chaney, farm agent, opened the meeting Saturday with an explanation of its purpose and the aim of a purebred livestock association. Other speakers were W. T. Collins, A. M. Bourland, J. V. Townsend, Mark Neal, Jed Morrow, and Miss Eula Goodfellow.

Co-operative advertising, both locally and in farm journals, is planned immediately by the organization. Selling will be carried on from time to time, according to the secretary, and there is now on file a request, from an outside source, for 132 pigs. With organized advertising it is thought the demand will greatly increase.

### Small Breeder Aided

The small breeder, it is pointed out, will be given an outlet for his products at nominal expenditures through the purebred livestock association. There is now under contemplation an extensive sale to be offered probably the last day of the Wilbarger County Fair. A county wide meeting featured by speeches from a representative of Texas A. and M. College and an officer from some successful purebred livestock association will probably be held shortly, officers state.

The secretary of the association, Mr. Morrow, has expressed a desire for the name of anyone in the county raising purebred stock of any kind. Included in this classification are hogs, chickens, cattle, dogs and horses.

### Rabbit Drive Wednesday

A rabbit drive will be staged Wednesday, April 19, starting on the McLarty and Gus Anderson farms about three miles south of Vernon, according to an announcement furnished The Record. The hunters will work south and all business men who will be able to attend are urged to enter the ranks with shot guns. The hunt will commence at noon. Farmers in the vicinity are said to be in urgent need of help on the drive.

### Girl To Mr. and Mrs. Brown

Mr. and Mrs. William T. Brown are the parents of a beautiful girl born to them April 14. Mr. and Mrs. Brown live on S. Main street.

### Girl To Vernon Couple

A girl was born April 13 to Mr. and Mrs. J. L. Hall living on W. Maiden street.

## HE'S THE PET OF PHILADELPHIANS.

This orang-outang does everything but talk. He's the pet of Philadelphians who visit the zoo in that city. Bozo is telling a secret here to one of the keepers at the menagerie, of which he himself is one of the dominating rulers—just because he's intelligent.

## CHILD CONFERENCE HERE MAY 16 AND 17

EVENT STAGED BY RED CROSS  
WILL BE SECOND ANNUAL  
AFFAIR IN VERNON

A second annual child health conference has been planned by the Wilbarger County Red Cross Association for May 16 and 17 to be held in the Carnegie library building. The clinic will be under the supervision of Miss Berry of the Home Economics Extension Department of the University of Texas. Local doctors and nurses will assist in the work.

At a similar conference last year, the first of its kind conducted in Vernon, 160 children were examined.

"This year," said one of those who have the work in charge, "we want those children who were examined last year to return and undergo a second examination. Also, we want as many others as we can possibly accommodate."

### Must Make Appointments

Mothers are requested to make appointments with members of the committee in charge as soon as possible. They may phone Mrs. J. A. Randel, Mrs. Alf Hills, Mrs. Mont King or Mrs. N. R. Heath. As only five minutes are allowed for the examination of each child, appointments must be made beforehand in order that mothers may know when to bring their children to the clinic.

A certificate will be issued to each child who undergoes examination three successive years. The purpose of the conference is to raise the standard of health in the community by means of public clinics to which mothers may bring their children for thorough physical examination. The conference is not in any sense a contest. It is aimed at providing parents with opportunities of discovering the physical defects of their children and the means of remedying them. It has in view the awakening in the mother of a feeling of responsibility towards the welfare of her child, and the placing in her hands of information that will guide her in its care, those in charge assert.

## MISS MILDRED MCCLARTY WINS HIGH HONORS AT UNIVERSITY

Austin, Texas, April 17.—In issuing the honor roll of the College of Arts and Sciences of the University of Texas for the winter term, it is explained by Dean H. Y. Benedict that the students who have won this distinction of scholarship are divided into five groups, ranging from the best one per cent to the best eight, nine and ten per cent. On the honor roll among the best four and five per cent is Miss Mildred McLarty of Vernon.

Miss McLarty is the daughter of Mr. and Mrs. C. A. McLarty of this city, and is attending her first year at the University of Texas. She was valedictorian for the Vernon high school class of 1921.

### Methodist Conference Friday

The second quarterly conference of the Methodist church will be held Friday at 8 p. m. in the pastor's study in Vernon. Stewards are urged to be present.

## FERRET OUT STILL NEAR "LOST TANK"

COUNTY OFFICERS MAKE RECORD  
CAPTURE SOUTHEAST OF  
HARROLD FRIDAY

Sixteen miles southeast of Harrold is "lost tank," and beside the remote pool of water there reposed until last Friday a moonshine still of probably seventy gallons capacity. The outfit, the largest yet captured in Wilbarger, is in the hands of county officers following an expedition into the southeast part of the county by Sheriff W. A. Ish and Frank O'Neal, deputy. No operators were arrested.

Officers were aware of the existence of the moonshine establishment, and a trip to its location earlier in the week revealed twelve barrels of mash in preparation to be cooked. Unwilling to destroy the outfit without an attempt at apprehending its operators, the officers returned to Vernon with the purpose of again visiting "lost tank" last Thursday.

### Cook Off Mash

Meanwhile, having been informed of the whereabouts of the still taken near Fargo last week, the sheriff's office proceeded to make a capture without delay and in the interim the "lost tank" operators cooked off their mash and left the scene. When officers again visited the southeast part of the county Friday the still was cold but the mash had disappeared.

"Lost Tank," officers state, is rightly named and is in a portion of the county rarely visited. The pool is not discernible 100 yards away. It is on the south side of Long Creek.

The capture Friday marked the fourth still taken by Wilbarger county officers in eight days. Sheriff Ish is of the opinion that moonshine establishments in the county have been appreciably thinned out and is considering devoting his attention to other pressing duties of his office.

## ROUSE CHAIRMAN OF PARTY COMMITTEE

NEW OFFICER WILL FILL IN  
EXPIRED TERM OF  
GEORGE MASON

J. O. Rouse was elected chairman of the Wilbarger County Democratic Executive Committee at a meeting of that body held Monday morning at the court house. N. B. Hodges was named secretary-treasurer. The resignation of George J. Mason, former chairman, was accepted soon after the meeting was opened, and Mr. Rouse will fill the unexpired term until after the primaries in July.

Five members of the committee were present. They were T. M. McClelland of Guyer, F. M. Taylor of West Vernon, E. J. Boaz, J. O. Rouse of East Vernon, J. M. Luttrell of Harrold serving as proxy for Mr. Cobb, and S. L. Page of Tolbert.

The executive committee will meet in May to fill the vacancies existing in the organization. Chairmen will then be appointed for all of the sixteen precincts in the county. The Democratic committee affords the executive machinery for workings of the party in this county.

## CHILDRESS WINS TRACK AND FIELD EVENTS IN MEET

Coffey Is Individual Star Of Day  
—Chillicothe Takes Premier  
Honors Among Class B  
Schools—Literary Program Of  
High Merit—Wilbarger County  
Schools Make Showing.

Childress high school, with sixty points to its credit, won handily the district interscholastic track and field meet here Saturday among Class A schools. Quannah with forty-four and one half points finished second, Vernon with twenty points was third, and Memphis with seventeen and one-half points was fourth.

Chillicothe won first place among Class B schools with thirty-six points. Kirkland and Tolbert were tied for second with twenty-two and one-half points, and barely nosed out Harrold which annexed twenty-one and one-half credits. Forty-seven contestants were entered in Class A, and sixty-two competed in Class B.

### Athletics Saturday

The athletic program started at 9 o'clock Saturday morning and continued until 3:30 in the afternoon. Coffey, of Childress, football star of last season, was high point man of the meet. Three firsts and a second place out of four entries credited him with eighteen points. Kirghbaum, a teammate, was second high man in Class A circles with nine points.

Crouch of Chillicothe with three firsts and a second place, was the star of Class B performers. He was closely pressed for honors, by won three firsts and a fourth. Vaughn of Harrold scored two firsts, tied for a second and tied for a fourth place, annexing thirteen points. W. Clynch of Guyer scored eleven points when he annexed three seconds and one third.

### Vernon Outclassed

Vernon high school contestants failed to win a first place, and were unable to attain the excellence shown thus far in practice. Bramblett with five points, and Walker with five and one-half, were high point men for the locals.

Following are the results of the track and field meet:

### Class A Events In Track

## HERE'S MRS. HARDING'S EASTER HAT.

This hat, made of ecrú color French dentelle and joined with fishnet was worn by Mrs. Warren G. Harding, wife of the President, on Easter Sunday. The flowers are of blanch colored marguerites, and the sash measures nine feet in length. The hat was presented to Mrs. Harding by Madame Sunshine, creator of millinery, who designed it.

## WOMAN CANDIDATE TO SPEAK THURSDAY

MISS ANNIE WEIR BLANTON  
TO ADDRESS WILBARGER  
VOTERS

Miss Annie Weir Blanton, State Superintendent of Public Instruction, will speak in Vernon Thursday night, April 20 in behalf of her candidacy for Congress from the thirteenth district. The meeting here will be held in the district court room at 8 o'clock.

Miss Blanton, whose home is in Denton, is the first woman State official of Texas. She enjoys a splendid record as the head of State schools, and is now serving her second term in that capacity. Friends assert that she has done more for the cause of education in Texas than any previous official.

Miss Blanton is said to be a speaker of more than ordinary ability. She is a candidate for both the unexpired term of Lucian W. Parrish and for the nomination in the Democratic primaries next July.

### Farrell Home Remodeled

Extensive remodeling of the Clint Farrell home on W. Texas street is now being carried out. Four rooms and a bath will be added as a second floor, and alterations will be made on the ground floor, as well. The exterior of the house will be of frame and stucco. Work will probably require two months more.

## HUNDREDS ATTEND QUANAH SERVICES

REPRESENTATION FROM LOCAL  
COMMANDERY LARGEST  
IN HISTORY

The largest representation at Easter services in the history of the Vernon Commandery attended church in Quannah Sunday morning. In addition to the Vernon knights there were many Templars from Crowell, Chillicothe and Electra. The sermon was preached by Dr. E. L. Moore, pastor of the Vernon Presbyterian church.

Approximately 250 knights, it is estimated, formed a procession which extended two blocks. C. S. Highsmith, past Grand Commander of Oklahoma, joined the Vernon delegation with a company of about twenty-five. Mr. Highsmith formerly lived in Vernon and was knighted at the local commandery.

Services were held in the First Christian church at Quannah. Following church, dinner was served to the visitors in the basement of the building.

## WOULD RESTRAIN CITY FROM ISSUING LIGHT PLANT BONDS

Petition Filed In Federal Court  
By R. E. Montgomery Charges  
Tax Levies In Vernon Are Ex-  
cessive—Points Out Alleged  
Legal Discrepancies Relating  
To Securities.

Charging that excessive valuations have been placed on Vernon property by the city commission for the purpose of levying taxes to be used for the fraudulent enterprise of creating a large sum of money in order that the city may be thrust into the business of manufacturing ice and producing electric current, a petition has been filed in the district court of the United States, Wichita Falls division, by R. E. Montgomery against the city, in an attempt to restrain the latter from issuing bonds for the purpose of constructing a light and ice plant. A writ was served on the city Saturday.

Mr. Montgomery, it is understood, is a former resident of Vernon and now lives in Canada. According to the petition, Mr. Montgomery's real estate holdings here amount to \$25,000.

### Charges Excessive Taxes

The petition sets forth in detail the indebtedness of the city, and its means of reducing the same. The plaintiff sets forth the fact that an oil boom in 1920 produced an inflation of property values far above normal, and that tax levies were made entirely out of proportion to real values. It is stated that in 1921, although property decreased in value at least fifty per cent, the city commission made its valuations and levied taxes thereon for approximately the same amount.

The plaintiff further attempts to show that the special charter adopted in 1916 limits the tax rate that can be levied for all properties to the sum of \$1.50 on the \$100 valuation; that fifty cents of the levy is required under the law to be set aside for the maintenance of public schools; twenty-five cents is to be set aside for the general fund of the city; fifteen cents is to be devoted to maintaining the streets and bridges; ten cents is to be used for the maintenance of the fire department; five cents for the library fund; and forty-five cents for all other purposes including the interest and sinking fund necessary to be raised under the law to pay on the bonded indebtedness of the city. The plaintiff attempts to show that the latter item would amount to \$20,250.

### Claims Excess

It is set forth that if the light bonds are issued it will become necessary for the city commission to levy and collect from property owners each year the sum of \$6,000 as interest on the bonds and \$2,000 additional for the purpose of creating a sinking fund, making a total of approximately \$24,146 to be raised each year. This sum it is pointed out, is more than \$4,000 in excess of the amount of money that would be raised and produced by the levy of the extreme limit of taxation permitted under the charter.

It is charged that in 1920 and 1921 the defendants raised the tax on all city property and collected a large sum of money far in excess of what was needed to pay the legitimate expenses of government. It is claimed that the commission will continue to collect these excessive levies.

### Says Bonds Are Invalid

The petition further claims that certain city bonds are invalid for having been sold below par, that all ordinances relating to the bonds are void because they were passed by only four members of the city commission after the resignation of J. D. Key, and that the order of election mentioned the purpose of establishing an electric light plant but made no mention of an ice factory.

Legal discrepancies relating to the transaction of business affecting the bonds are pointed out in detail in the petition. One of these is to the effect that there existed an emergency that would warrant the calling of an election for a new light plant.

The plaintiff prays that he be granted an injunction against the city and its officers restraining them from issuing bonds for the purpose of constructing a light plant. He further prays for judgment canceling all of the bonds and holding them for naught.

## DRILL TEAM OFF FOR FORT WORTH

LOCAL DELEGATION TO LEAVE VERNON ON SPECIAL SLEEPER

A drill team representing Vernon Commandery 33 will leave tomorrow night for Fort Worth to compete for State honors against similar organizations from over Texas at a meeting of the Grand Commandery of Texas which convenes in Fort Worth Friday, April 21. L. G. Hawkins, Grand Commander of the Grand Commandery, will leave tomorrow noon.

In addition to the drill team of twenty members, numbers of other Vernon knights will attend the meeting. The local delegation will leave here on a special sleeper.

At the close of the meeting Saturday, Mr. Hawkins will leave on a special train for the Triennial Conclave of the Grand Encampment of Knights Templar of the United States of America to be held at New Orleans. Mr. Hawkins will relinquish his office as Grand Commander at the meeting in Fort Worth, having served his full term of one year.

## DIES AFTER SHORT ILLNESS

Miss Bernice Davenport, Sister Of Vernon Resident, Lived Life Of Service

Miss Bernice Davenport, sister of Mrs. Raleigh Hooper of Vernon, and well known to numbers of local teachers who attended the same normal school with her, died April 5 at Batson, Texas, after an illness lasting only one week. Funeral services were held April 7 at Pilot Point. Mr. and Mrs. Hooper attended from Vernon.

Miss Davenport was born June 17, 1883, at Greenville. At the time of her death she was 28 years old. She was a member of the Methodist church and was a conscientious religious worker. Miss Davenport is said to have lived a true life of service.

For the past seven months she taught at Batson in the public schools of that community.

## Fair Association Elects

Members of the Willbarger County Fair Association met yesterday afternoon in the auditorium of the library building and elected a board of directors. A president and secretary will be named tomorrow at the first meeting of the board.

## Excelsior Blazes In Office

A blaze in excelsior used as packing for chairs in the office of Peck and Hickernell on N. Main street called the fire department to the scene about 10:30 this morning. The blaze was extinguished with the use of a small amount of chemicals.

## BOSTON BANKER OPPOSES LODGE FOR SENATE

William A. Gaston, Boston banker, has entered the race for the Massachusetts Democratic nomination to the United States Senate. He goes to replace Senator Henry Frost Lodge, long known as the stormy petrel of the Upper House of lawmakers. Gaston is conducting his campaign on a "strict business platform."

## AS DAME FASHION WOULD EXPRESS IT

New York, April 17.—The neat spring suit of serge, whipcord or twill finally has made its appearance on the avenue and is setting up furious competition with the tweeds which have been popular for a month.

Navy, of course, is the favorite color. There are two styles which have the endorsement of Old Lady Fashion herself.

Most youthful and becoming to slender figures is that which shows a circular line coat, hip length, with Buster Brown collar and three-quarter length bell-shaped sleeves.

Odds and ends of black satin braid usually trim these coats. Fanciful designs are outlined across backs and hems and sleeves. One such was a complete spider-web over the back, with smaller spider-webs on cuffs and pocket flaps.

There is a single fastening at the throat, and this sometimes is a cord of the material which ties in a little bow.

A popular fancy fastens the pockets at the very edge of the coat and allows the pouches to extend below the hem and line.

The other model presents a coat well below hip length on straight, slender lines, with Tuxedo collar falling quite to the waist and ending in a double-button fastening. Sleeves of this coat are very narrow. Seams are outlined by braid.

Skirts are straight, longer and narrower.

Tweed suits make up in brilliant colorings all that is lacking in the more

dressy serges and twills.

Somewhat severe sport lines characterize these suits, although the later showings run to circular coats. Such trimming as is indicated expresses itself in rows of stitching. Scarves of Roman stripes lend additional look of gaiety.

Wherever crowds are in this city of crowded places there will be dashes of rose, Copenhagen, orange, golden, brown, lavender and periwinkle. It hardly seems possible that rough, loosely woven materials such as tweed and homespun can be accomplished in such bright shades.

Sports coats appear in the same colorings and general design.

Many collars are merely scarves with fringed edges. One end is crossed over the front and thrown back carelessly on the shoulder.

Hats are running riot as to shape, trimming and shade.

The red which blazed everywhere a few weeks ago is giving place somewhat to quite as brilliant lavender, gold, green and blue. These are worked out in sports models of taffeta and are banked with flowers of all descriptions which climb against crowns and fall over the edges of brims.

A smart model seen this week was fashioned of lavender-colored satin, with a tan-shanter crown somewhat high in front and a narrow brim rolling back from the face.

Violet-colored satin grapes lay across the front and dropped in delicious looking bunches over the sides.

## SAYS JOHN P. MEDBURY

The public is funny, they love music and they want genius, still no musician can become great unless he lets his hair grow.

A genius may come out of a barber shop, but very few of them ever go in one.

A guy with whiskers seems to be able to play a violin better than a bird who shaves every morning.

Instead of his beard getting in the way, it helps him.

One guy had success within his reach but he ran out of hair tonic.

Nero was a great violinist, he fiddled while Rome burned, but nobody ever heard of his whiskers getting on fire.

But luckily for him he wasn't wearing a celluloid collar.

A musician can have lots of whiskers and still he can't be great unless he has a long name that's hard to spell.

One fellow would have been a great pianist only he picked out a name that everybody could pronounce.

Who ever heard of a great musician with a name like Harry Jones or John Smith?

Of course Harry Jones might become great after he died, but that's too late as far as he's concerned.

You've got to have a face that's hard to look at and a name that's hard to pronounce.

It's not difficult to get one of these names. All you have to do is to look through a Russian telephone book.

It's true that you can be just as good a musician without whiskers and a long name, but nobody will listen to you.

A great composer is like a swell bed, no good without a mattress.

A lot of pianists have had to wear false beards before they could get a start.

Baton's strength lay in his hair. He brought down a church. A musician with a few whiskers can bring down a whole theatre.

The public demands new faces, but if you're smart you can give them the same ones over and over.

A great face is like a great hand, it always has a hedge around it.

Somehow the people are all over the world for new faces, and the only places where they never look for them is in the consular parlors.

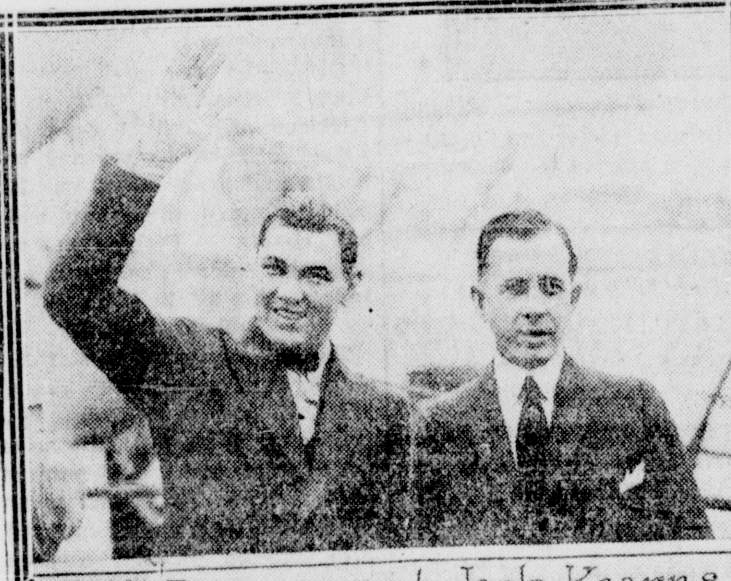

## SHE'S JUST TOLD HIM A GOOD JOKE!

Mrs. H.E. Cole and laughing lion cub.

This lion cub, held by Mrs. H. E. Cole, of San Francisco, enjoyed the joke immensely. He's the first youngster "jungle king" ever photographed while wearing such a broad smile. Nature students who have seen the photograph say the cub is not laughing, but is yawning preparatory to taking a nap.

## JACK DEMPSEY MEETS "KID NEPTUNE."

Jack Dempsey and Jack Kearns.

Heavyweight Champion Jack Dempsey has met his toughest opponent—"Kid Neptune." With his manager, Jack Kearns, and Damon Bunyon, one of America's foremost sports writers, the king of pugilists has sailed from New York for a tour of Europe. Unless "Kid Neptune" strikes him too hard in the stomach, Dempsey expects to take on a few of the satellites of the European arenas.

### VISITORS WELL ACCOMMODATED

Rooms Offered For Use Of Delegates To District Meet Outnumber Those Attending

Visitors to the district interscholastic meet held in Vernon last Friday and Saturday were outnumbered by available rooms offered for their accommodation, contrary to the expectations of local parent-teachers' associations that a shortage of housing facilities would exist. The number attending the event here is thought to have been scarcely above 100, and these were amply provided for.

Five hundred visitors were originally expected, and shortly before the district meet there was an indication that sufficient rooms would not be provided. Many, however, responded willingly to the requests for accommodations and members of the committee representing the parent-teachers' associations have expressed their appreciation of this generosity.

Among the visitors active in district school affairs were D. R. Hibbets, superintendent of Memphis schools, Mr. Williams, superintendent of the Halper school at Estelline, J. A. Parsons, coach of the Childress high school team, and M. F. Thurman, coach at Quanah.

### MAY PLAY AT AMARILLO

Vernon High Awaiting Word Pending Rearrangement Of School's Schedule

Vernon high school may play ball at Amarillo Friday or Saturday, or possibly both days, in the event a satisfactory arrangement can be made in the schedule of that school. The games had originally been set for those days but a wire from Coach Douglass last week intimated that a change would in all probability be necessary. Nothing further has been heard from him.

Amarillo high is credited with possessing one of the strongest teams not merely in the Panhandle, but in all west Texas. According to members of the Clarendon College team, which played Amarillo early in the season and Vernon several weeks later, the two latter schools are evenly matched.

In the event the games are not played this week-end Vernon has no regular scheduled game before May 12 when Wichita Falls high school will appear here. Contests with Quanah, however, will probably be played in the interval as the suggestion was received with favor last week-end from M. F. Thurman, coach at that school.

## It doesn't cost much to use Beaver Board

We can supply you with enough of this flawless manufactured lumber to remodel the average room—walls and ceiling, for about \$15. And the work of application is quickly and easily done. Little sawing, practically no waste, and no muss or litter.

Whether you nail Beaver Board over old plaster or directly to studding in attics or unfinished rooms, the result is at once attractive and lasting. Walls and ceilings of genuine Beaver Board can't crack or fall. They never require repair. And the patented Sealrite process by which the panels are sized gives you free rein in painting and decorating, if you care to do either.

Ask us to estimate on the cost of the Beaver Board you need. It places you under no obligation, and you will be surprised how low our figures will be.

A phone call will bring us to your house, office or store. Call us today.

## Columbia Dry Batteries

are universally used because—

They cost so little, are so easy to obtain, are so powerful, and last so long. That's why they are used everywhere for every battery need. It's why dealers all around you carry Columbias to meet your demands—electricians, hardware stores, general stores, auto supply shops, garages, implement dealers.

For doorbells, buzzers, heat regulators, alarms, etc.; for gas engine and tractor ignition; for quick starting ignition on non-self-starting Fords; for every purpose, always—instruct upon Columbia.

The world's most famous dry battery. Used where a group of individual cells is needed. Fastest stock Spring Clip Binding. Posts at no extra charge. Columbia Dry Batteries work better and last longer—  
—for bells and buzzers  
—for thermostats  
—for gas engines  
—for ignition on the Ford while starting  
—for dry battery lighting in closet, cellar, garage, barn, etc.

## BOOST THE NEW CHAMBER

Vernon and Wilbarger county's  
Chamber of Commerce is ready for  
business! The statement from the or-  
ganization's new secretary, J. V. Town-  
send, sums up tersely the attitude of  
the reorganized commercial body as it  
commences upon its year's activities.

Agricultural as well as business pro-  
grams have been outlined for develop-  
ment by the Chamber of Commerce,  
and associations which have as their  
aim the betterment of the farming  
class are due to receive the hearty  
backing and co-operation of the body.  
There will be no restriction of inter-  
ests to purely business or purely ag-  
ricultural lines; the new Chamber of  
Commerce has made itself into a cos-  
mopolitan organization.

Mr. Townsend has asked for the  
united support of the county's citizen-  
ship in fostering the work of the body  
of which he is secretary. With con-  
scientious backing, with a smothering  
of petty grievances and fancied slights,  
the mouthpiece of Wilbarger county ac-  
tivities should enjoy the most flour-  
ishing era of its existence.

## VERNON HIGH AND THE PENNANT

Vernon high school's performance  
Friday against the baseball team rep-  
resenting Crowell is in the main a  
vindication of the local athletes. Since  
the Clarendon games, the second of  
which resulted in especial disaster to  
Coach Winston's men, there has been a  
tendency on the part of Vernon root-  
ers to gaze with condescension upon  
the efforts of the lads to win recog-  
nition in interscholastic circles.

Early season performances through-  
out the country have paralleled to an  
exact degree any slump in form which  
Vernon high may have exhibited. Fav-  
orites everywhere have been starting  
their schedules with off brand pitch-  
ing, hitting and work in the field. As-  
sign as the reason for the blunders  
committed by the locals the pardonable  
nervousness experienced in competing  
against a team of older and more ex-  
perienced players, and it can be clearly  
seen there is no occasion for a rehearsal  
of the anvil chorus.

Vernon won handsily against Crow-  
ell, and was never in danger of los-  
ing the game, even though the visitors  
scored first. With Baird in contin-  
ued good form, and every man recov-  
ered from his initial self conscious-  
ness, Vernon should make a strong bid  
for interscholastic league honors.

## CHILD HEALTH INSURANCE

Wilbarger county parents are to be  
offered free of charge May 16 and 17  
a form of health insurance that is  
steadily gaining favor. At that time  
there will be conducted by the Red  
Cross Association a child welfare con-  
ference for the purpose of determining  
the physical well being of every  
youngster in the county.

The spirit of the occasion will in no  
sense be that of a contest. There  
will be no comparisons nor slighting  
of those under developed or suffering  
from malnutrition. The aim of the  
clinic will be purely altruistic, its  
purpose designed solely as a means of  
social betterment.

The conference conducted locally a  
year ago was eminently successful.  
Advice, given free by doctors and  
nurses engaged in the work, has in  
many instances served appreciably to  
improve the health of Wilbarger coun-  
ty's little ones. Every mother will  
have proffered to her expert testimony  
regarding the physical well being of  
the potential future citizen under her  
care; the opportunity is one which  
parents can scarcely afford to over-  
look.

## Hinds School Picnic Friday

## NOTICE TO VOTERS

There is some talk that I am

A Legion commander for the first

time made use of the radio telephone  
in broadcasting a message to the ex-  
service men of America when Banford  
MacNider stood in Detroit Mich., and  
from station WWJ sent an Easter  
greeting that was heard in all middle  
states and as far south as the Gulf.

Poison gas which A. M. Thompson  
Cheyenne, Wyo., policeman, inhaled in  
France during the war four years ago,  
had just caused him to loose 26 of his  
teeth, according to a report made by  
the American Legion. The police-  
man recovered from a long illness af-  
ter the teeth had been removed.

So confident are the ex-service men  
of Emporia, Kan., that the adjusted  
compensation measure will be passed  
by the Senate that the American Leg-  
ion members of that place have pledg-  
ed \$3,000 of the expected money to be  
used as the nucleus of a fund to erect  
a suitable community club house.

Former Navy radio operators and  
members of the Army signal corps  
have organized under the auspices of  
the American Legion in Nebraska and  
are broadcasting market reports, weath-  
er forecasts and weekly musical  
concerts to the rapidly growing legion

of wireless telephone users.

When two desperate criminals broke  
jail at Springfield, Tenn., and took  
refuge in the woods, the chief of po-  
lice called on the American Legion  
after his own force had failed in its  
efforts to capture his former guests.  
The ex-service men formed a battle  
line and the two fugitives were landed  
back in the calaboose.

Judge Harry S. Keldan of Detroit,  
Mich., opening his court for business  
found that the entire jury panel had  
been snapped up by other jurists. His  
Honor asked the American Legion to  
further the cause of justice with a  
result that a new set of talesmen, all  
jobless ex-service men, was impa-  
nelled.

Hanging in the room which Mar-  
shal Foch of France has reserved in  
his home for thousands of presents he  
received while touring the United  
States under the auspices of the Amer-  
ican Legion are 35 toys to eleven of  
America's largest cities. All the gifts  
which America bestowed on the Mar-  
shal are in his "American room" ex-  
cept the famous Montana bob cat  
which now paces a cage in the Paris  
Zoological Gardens.

## 24 HOURS TO EUROPE IS SPEED OF PLANE.

Chicago, April 11.—Cuno Rheden  
expects to fly from New York to Paris  
next month in an airship he designed  
here.

He will take three companions with  
him, and expects to make the trip in  
24 hours.

If he succeeds he will be the first  
to fly from the mainland of America  
to the continent of Europe. Harry  
Hawker flew from Nova Scotia to  
Ireland.

Rheden said he has been working on  
his plane for seven years. He believes  
it will travel 250 miles an hour, and  
says tests bear out his faith in it.

"I call her the 'Invincible,'" he said,  
"because she can't be beaten. I am  
going to fly her across the Atlantic  
in less than 24 hours. This is not  
to be a sporting proposition, but to

demonstrate the efficiency of my air-  
plane."

He has spent \$300,000 in designing  
building and testing the ship.

"The most striking feature of this  
plane is the enormous tail fins and  
rudder," he continued. "That is the  
secret of the plane's efficiency. I  
can even take off the wings and fly,  
for I have enough lifting space on the  
tail to do it. In most planes the  
tail drags, but in this one the tail helps  
it to fly, and that is why I can make  
250 miles an hour."

He says the plane can lift 2,500  
pounds in excess of the fuel, oil and  
engine. He boasts of its safety, and  
says it is impossible to do stunts in  
it, such as nose or tail spins.

"I am going to cut the time between  
New York and Chicago to four hours,"  
he said.

and took an airplane flight over Gotham.

**Literary Program Excellent**

Literary events, conducted Friday afternoon, were of a high order. A program at 2 p. m. at the high school marked the beginning of the entire meet and at its close there started the preliminaries in declamation for rural schools.

The meet was opened formally when those present in the high school auditorium stood and sang "America." There was a prayer by Rev. C. A. Waterfield, pastor of the Methodist church, a welcoming address by Harry Mason, mayor of Vernon, a response by D. R. Hibbets of Memphis, and announcements by E. L. Dohoney, superintendent of Vernon schools.

**Selections of Merit**

Contestants in the literary division showed the results of excellent training, and most of the selections were of exceptional merit. A good sized audience attended throughout the literary program.

Following are the results of the literary division in the district interschoolastic meet:

A Legion commander for the first time made use of the radio telephone in broadcasting a message to the ex-service men of America when Hanford MacNider stood in Detroit Mich., and from station WWJ sent an Easter greeting that was heard in all middle states and as far south as the Gulf.

Poison gas which A. M. Thompson, Cheyenne, Wyo., policeman, inhaled in France during the war four years ago, had just caused him to lose 26 of his teeth, according to a report made by the American Legion. The policeman recovered from a long illness after the teeth had been removed.

So confident are the ex-service men of Emporia, Kan., that the adjusted compensation measure will be passed by the Senate that the American Legion members of that place have pledged \$3,000 of the expected money to be used as the nucleus of a fund to erect a suitable community club house.

Former Navy radio operators and members of the Army signal corps have organized under the auspices of the American Legion in Nebraska and are broadcasting market reports, weather forecasts and weekly musical concerts to the rapidly growing legion.

## EXPLAINS NEED FOR COUNTY HOSPITAL

RED CROSS NURSE SAYS WORK OF HEALTH OFFICERS THIS MADE EASIER

A county hospital would be of immeasurable service in furthering the work of the public health nurse as well as county and city health officers, Miss Rose Ehlmann, Red Cross nurse informed members of the Rotary Club today at a regular weekly luncheon at the Bailey Hotel. Such an institution, she pointed out, would provide a central point to which patients might be brought, and would obviate the necessity of constant travel over the county from home to home.

Miss Ehlmann explained that eighty per cent of the school children in Wilbarger county are defective physically. Forty-nine per cent, she said, have defective teeth, ten per cent have bad vision, and forty per cent are underweight. There are a few permanent cripples among county children.

**Schools Not Equipped**  
Miss Ehlmann explained to Rotarians her work over the county, especially among school children. Many rural schools, she said, are inadequately equipped in sanitary conveniences, and have no drinking facilities nor lavatories. The work of nutrition classes at Harrell, Oklaunion and Tolbert was commented upon at length by the Red Cross nurse.

## SIGLER OFFSET PROGRESSES AFTER DERRICK IS REBUILT

Steady progress on the offset to Sigler number 1, recently started about 300 feet northeast of the discovery well, is reported from the local oil office. The derrick has been rebuilt since the disastrous storm of more than a week ago which leveled practically every derrick in the field.

A rotary is now being used on the test, and is a heavy California rig. The offset is now slightly more than 200 feet deep. R. C. Belcher is in charge of operations.

## FEAR PINK BOLL WORMS IN COTTON

COUNTY AGENT TAKES STEPS TO PREVENT FURTHER SPREAD

A warning to all Wilbarger county farmers to suspend cotton planting pending the determination of the identity of worms found today on the W. Johnson place at Fargo has been issued by the county agent. The specimens were submitted at 2 o'clock this afternoon, and steps were immediately taken to prevent further activity in cotton fields.

The worm has every appearance of being the dread pink bollworm variety, and is nearing the moth stage. None like it has ever been seen in this vicinity. Added to this is the fact that it was contained in seed received from Ellis county, notoriously infested.

**Request Expert**  
A wire has been sent the United States Horticulture Board at Houston requesting that an expert be sent immediately to Vernon. He is expected here Thursday. The county agent this afternoon commenced a canvass of county banks in order to determine the names of all farmers who have ordered seed from various sections of the State.

The occasion is one to warrant intense alarm, according to those assembled in the office of Mr. Chaney this afternoon. Farmers should suspend all further planting, it was pointed out, in order to avoid possible disaster to the entire county crop.

## BUNGLES IN FIELD ENABLE VERNON TO TROUNCE CROWELL

Locals Score Five Runs In Fourth Inning When Visitors Throw Ball Away—Baird and Richards Lead Offense and Defense—Base Running Features Vernon Playing.

Unable to solve with any measure of success the fast shots, drops, and rattling curves of Napper Baird, Vernon pitching ace, Crowell high school humbly gnawed the greensward at the fairgrounds Friday afternoon to the overwhelming count of 5 to 1 after the locals had taken matters into their own hands and made a track meet out of the fourth inning. Four hits were registered off the delivery of the big left hander, while Vernon garnered a half dozen off of Jones and Cates, visiting hurlers.

To Vernon's battery, Baird and Richards, must go a large share of the credit for Friday's victory. Added to filling in great fashion their places in the field, each rapped out two singles that added materially in the scoring. Baird whiffed twelve opposing batsmen. Richards did not permit a single pitched ball to escape him. Jones, who started on the mound for Crowell, struck out seven batsmen and Cates added two to the total.

### Locals In Good Form

Vernon performed in the most creditable fashion this season in the field, only two errors being chalked up against Coach Winston's men. Crowell, however, bunched woefully at critical stages, and the better fingered performances of the visitors contributed in large part to the Vernon scores.

Coach Winston has improved to a marked degree the base running of his charges, and there were no repetitions of the faulty head work that has cost Vernon dear in other games this season. Caution proved the guiding principle with men on bases, and there were no put outs resulting from napping runners.

Beverly was the hitting star of the Crowell team, and rapped out two safe singles on his first two trips to the plate. Collins and Bursley each connected for singles as well.

### First Inning

Beverly tipped the first one, the next was a ball then a strike, another tip, another ball and then a liner to right field. Beverly stole second. Glover struck out. Kincaid struck out. Collins walked. Cook flew out to Baird. No runs, one hit, no errors.

Small struck out on the first three balls pitched. Larimore was out, pitcher to first baseman. Smith struck out. No runs, no hits, no errors.

Second Inning  
Bursley was out, Smith to Sneed. Sloan was out, Baird to Sneed. Cates struck out.

Parr popped to the catcher. Farrell struck out. Bramblett hit to left field. Sneed hit to the short stop who fumbled but threw Bramblett out at home. No runs, one hit, no errors.

Third Inning  
Jones was out, Smith to Sneed. Beverly registered a hit over Larimore's head. Glover was out. Kincaid struck out. No runs, one hit, no errors.

Fourth Inning  
Collins hit one through Sneed's legs. Cook struck out. Bursley hit to center field, scoring Collins from second. Bursley was thrown out trying to reach second on the play. Sloan was

out, Baird to Sneed. One run, one hit, one error.

Smith was safe on the short stop's fumble and stole second. Parr struck out. Farrell walked. Bramblett sacrificed. Sneed hit a hard one to the short stop who fumbled and Smith scored. Farrell and Sneed scored on Richards' hit to short center. Richards scored when the pitcher fumbled a hard one from Baird's bat. Smith ran for Baird. Small hit one to the short stop, who pegged poorly to first. Smith scoring. Larimore struck out. Five runs, one hit, four errors.

### Fifth Inning

A slow one from Cates' bat rolled fair and he was out, Baird to Sneed. Jones was safe on Smith's error. Cates ran for Jones. Cates stole second. Beverly walked. Glover was out on a fly to Sneed who doubled Cates at second. No runs, no hits, one error.

Smith was out, pitcher to first baseman. Parr walked. Farrell sacrificed. Parr was out trying for third. No runs, no hits, no errors.

### Sixth Inning

Kincaid struck out. Collins was out, Baird to Sneed. Ashford struck out. No runs, no hits, no errors.

Bramblett was out, short stop to first baseman. Sneed hit to center field and stole second when the catcher missed the ball. Richards hit a hard one to short stop who made a bad peg to first. Sneed scoring, and Richards going to second. Richards scored when Baird hit to the short stop and the latter made a bad peg to third. Baird going to second. Smith ran for Baird. Small struck out. Larimore rolled out to first baseman. Two runs, one hit, three errors.

### Seventh Inning

Bursley struck out. Roberts struck out. Cates struck out. No runs, no hits, no errors.

Cates relieved Jones in the box. Beverly taking his place at first. Bursley Beverly's place at second and Jones going to right field. Smith was out, short stop to first baseman. Parr struck out. Farrell struck out. No runs, no hits, no errors.

### Eighth Inning

Jones struck out. Beverly was out, Bramblett to Sneed. Glover struck out.

Bramblett was out, pitcher to first baseman. Sneed was out, second baseman to first baseman. Richards hit to right field and stole second. Richards stole on Baird's hit. Baird going to third on the catcher's error. Smith ran for Baird. Small struck out. One run, two hits, one error.

### Ninth Inning

Kincaid flew out to Baird. Collins got an infield hit to Bramblett. Ashford sacrificed. Ashford flew out to Smith who made a pretty catch back of first base. No runs, one hit, no errors.

## BRING ON YOUR "STRANGLER" LEWIS!

"Strangler" Lewis, dean of heavyweight wrestlers, might not do so well against "Brownie," wrestling bear of the Philadelphia Zoo. Nothing pleases the bear so much as to engage in a tussle with a strong man. The picture shows him ready for action just as soon as his keeper gives him the least encouragement.

### STUDY WOMEN OF BIBLE

Baptist Auxiliary Also Lays Plans For District Meeting Here Next Tuesday

More than forty members Monday enjoyed a study of representative women of the Bible conducted by the Baptist Women's Auxiliary at the church. A committee was also appointed at the meeting to arrange for the district W. M. U. meeting here Tuesday, April 25.

At that time there are expected to be present Mrs. A. F. Beddoe, State corresponding secretary; Miss Bernice Green, State secretary of young people's work; Mrs. Francis, district president; Mrs. Ella B. Townsend of Baylor, Belton; Hal F. Buckner of Buckner Orphan Home; and Dr. F. S. Groner, secretary of the Baptist executive board.

Eight counties are in the Vernon district. Visitors from every church in the section are expected here Tuesday.

### FARGO CLUB TO DISCUSS VITAL SOCIAL TOPICS

An attractive program has been planned for Friday afternoon at 2 o'clock by the Fargo Home and School Club. The affair will be staged in the Methodist church of that community.

After an opening song and prayer, there will be a short business meeting. Following this Mrs. D. L. Lovelace will render a piano solo; Miss Eula Goodfellow, home demonstration agent, will talk on "The Effects of Clothes Upon Character;" Mesdames H. W. Cabe and H. H. Scherer will talk upon "The Effects of Music and Literature Upon the Lives of Our Children;" and Mrs. F. S. Shearer will speak on "Religion in the Development of the Child."

Will Address Presbyterian Women  
Mrs. W. B. Preston, chairman of the Synodical Auxiliary of the Presbyterian church, U. S. A., will address women of the local Presbyterian congregation Friday evening at 8 o'clock. The public is invited to attend the meeting. A reception will be given Mrs. Preston at the Presbyterian manse Friday afternoon from 3 until 5 o'clock.

### A WOMAN'S BACK

The advice of this Vernon woman is of certain value.  
Many a woman's back has many aches and pains.  
Often it is the kidney's fault.  
That's why Doan's Kidney Pills are so effective.

Many Vernon women know this.  
Read what one has to say about it.  
Mrs. J. T. Sanders, E. Texas St., says: "I have used Doan's Kidney Pills on different occasions when I was in need of a kidney remedy. When my kidneys were out of order my back ached from doing my housework. I have taken Doan's Kidney Pills and they have always given me the splendid results. Another member of my family has also used Doan's Kidney Pills and they have also used Doan's Kidney Pills highly."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Saunders had. Foster-Milburn Co., Mfrs. Buffalo, N. Y.

### Wanted: Houses, Farms and Lots

The demand for real estate is getting better. Now is the time to place your property on the market, but not with the expectation of getting "boom time" prices, for there is no boom. If you are willing to sell or trade on reasonable prices small cash payments, I would be pleased to visit your property for sale or trade.

If you are in the market for any sort of real estate, houses, lots or farms of most any size place. I can sell or trade you either farms or city property at the right price and terms. If you want to rent a house in Vernon always see me for houses. I have some splendid homes at present for rent or sale. It is to your interest to remember the place and name.

J. R. JONES.
